3. Enrollment Policies and Information

Enrollment forms are available online at www.kedkid.org

The Kinnelon Extended Day Programs always have open enrollment. However, at the beginning of the school year it is important to register in a timely fashion. This allows us to prepare for the approximate number of incoming students and to allow the Transportation Secretary ample time to include our students on the bus.

The Kinnelon Extended Day Program has 3 Semesters for the school year.
The semesters are September - November, December - January and February - June.

Enrollment is open to children in Grades K-8 attending school in the Kinnelon Public School District.

You may choose 1,2,3,4 or 5 days a week. There are no set number of days a week you must attend. However, you may NOT pick and choose individual dates. For example, if you sign up for Monday, you must sign up for all of the Mondays in the semester. This policy extends to each of the days.

Kid's Korner, both morning and after school, provides the option of different pick up times. Please make sure you pick a time that reflects your needs or a **LATE FEE** may be imposed.

3. Enrollment Policies and Information (continued)

Initial enrollment is contingent upon receipt of the **completed and signed** enrollment form and **receipt of payment** for the semester. If you are unable to pay for the full semester at this time, a payment plan is available and the details are below under Payment and Payment Plan. All information of the form MUST be filled in and the form must be signed.

EARLY DROP OFF OR LATE PICK UP

Kid's Korner, both morning and after school, provides the option of different pick up times. Please make sure you pick a time that reflects your needs or a **LATE FEE** may be imposed.

All students must be picked up at the appropriate time. **A late fee of \$20.00 (payable at time of pick up)** will be imposed if children are not pick up within 10 minutes of chosen time. **To avoid a LATE FEE, please call us at 973-838-1418 extension 127 and let us know if you will be late. Please leave a message if no one answers.**

Most communication is via e-mail. Please be sure to fill in the e-mail addresses.

On the back of the form, please be sure to let us know if there are any special circumstances such as health concerns or custody agreements.

You may also list the names and relationship of alternate people who may pick up your child in your absence.

We are open on most regularly scheduled school closings. We will be open during **most** scheduled school closings if there are a **sufficient number of students in need of this service.** **This is not included in on the enrollment form and will require an extra fee.**

The Kinnelon Extended Day Programs have a flexible enrollment policy. We understand our busy families have different needs. We will work with you to accommodate special circumstances if possible.

If you are in need of various days throughout the year (requires a \$100.00 deposit per child) or need to drop off or pick up your child at a time that is not listed on our enrollment forms, please contact Linda Russell, at Russell@kinnelon.org AND kedatsisco@yahoo.com and she will work with you to find a solution.

Court Orders Effecting Enrolled Children

In cases where an enrolled child is the subject of a court order (Custody Order, Restraining Order, etc.) Please provide a copy of the most recent order. The orders will be strictly followed, unless notified in writing, by the custodial parent (s) of a change. In the case of joint custody, both parent mus sign the request.

4. Family Discount

If your family will be enrolling more than 1 student, The Kinnelon Extended Day Program offers a 10% Family Discount.

The discount only applies to the semester enrollment and does not apply to enrolling your child for the scheduled school closing dates.

The discount is applied by totaling the tuition for all the children attending the program and deducting 10% from the total. This will give you the amount of your semester's tuition.

5. Payment and Payment Plan

Tuition payments may be made in cash, check or money order. We do not accept credit cards at this time.

Payment must accompany the enrollment form each semester.

There will be no credits or reimbursement for: any child absence due to illness , family vacations, school closings due to emergencies or inclement weather. (If there is a family emergency or extended child illness please contact Linda Russell as soon as possible.)

Payment Plan:

If you would prefer to pay for the semester in installments, The Kinnelon Extended Day Program offers a simple payment plan.

Once you have totaled your tuition for the semester (and deducted your family discount if applicable) divide the total by 3 (number of months in the semester) and that will be the amount of your monthly payment for the semester.

The first payment is due with your enrollment form and subsequent payment must be made by the 10th day of months 2 and 3 of the semester.

The final semester will also be divided by 3 even though there are 4 months in the semester.

All outstanding balances must be paid by June 5th of the current school year or report cards will be held until payment is received.

6. Picture Release

We love taking pictures of our students. From time to time we would like to use these pictures in presentations or on our website. **NO NAMES WILL EVER BE USED** with our pictures. Just children having fun in our programs. If you do not want us to use a picture of your child please contact us at RussellL@kinnelon.org and kedatsisco@yahoo.com or just send us a note.

7. Homework Policy

We are very happy to assist the children with their homework and we try to make sure they finish it. We do this in hopes that it will give our families precious time to enjoy each other. Sometimes children have a sufficient amount of homework that they are unable to complete during the time they are in Kid's Korner PM and sometimes the children only show us part of what they have as homework. (We do check their homework folders.) If they were unable to complete the assignment we know about, we will inform the person picking up the student from Kid's Korner PM that the homework assignment was not completed. [Kid's Korner is here to help, but we can not accept responsibility for completed homework assignments.](#)

It is very important for the parents to go over the homework with the children . This affords the parents the opportunity to see how their child is doing and what they are currently working on and to make sure all of their assignments have been completed. It also allows the child a chance to make sure it is accurate and to

8. Student Conduct

To keep the program a happy experience for all the children, we strive to set consistent, clear and understandable limits to help foster our children to become self-disciplined. Negative behavior is often a child's way of seeking attention, so the staff is encouraged to try to ignore negative behavior. Instead, the staff is encouraged to look for and reinforce positive behavior. Correcting a child for every little thing can have a negative effect on a child's innate creativity and inquisitiveness.. By trying to teach the children that each choice they make has consequences, and that negative choices have negative consequences, the children will begin to learn self-discipline. Children who are not making good choices will be taken aside and spoken to regarding the choices they are making. Children will be given the opportunity to rectify the situation and make positive choices. Hopefully, this approach will work, but sometimes this method does not work. When this happens, a child will be removed for the situation and encouraged to think about making a positive choice to change the outcome of the situation.

Please do not be discouraged if your child is disciplined. Children naturally test the limits of their world at all stages of development.

Parents will be notified immediately regarding any negative physical contact (hitting, biting etc.) You will also be notified of any behavior we feel should be reinforced at home.

If after exhausting all possibilities, there is no improvement in a child's behavior the parents will be asked to remove the child from the program. After an agreed upon period of time , the child may be reinstated.

9. Student Dress Code

Please make sure your child's last name is inside of all jackets, sweatshirts or sweaters.

Clothing

All of our programs will have outside time when the weather permits, including in the winter. Please make sure your child's clothing and shoes are appropriate to the time of year.

Since the weather in the autumn and spring can change rapidly, Children should have a jacket, sweatshirt or sweater with them when they come to school.

For the winter, please make sure your child has a hat, gloves, scarf (if needed) and a heavy winter coat. Please make sure scarf/hat combinations do not have excessively long ends. Long ends can be a safety hazard on the playground.

Layering your child's clothing is the best way to insure they are comfortable both indoors and out.

Shoes

Please make sure shoes are appropriate for play. Closed shoes that either tie or have velcro closings are best. Please do not send you child to school in flip flops or sandals that do not have a back strap as they are not safe for running and playing on the playground

If you child wears boots to school, please send them with an additional pair of shoes so they may be comfortable.

Jewelry

Jewelry can also be a safety hazard. Please make sure necklaces are not too long and bracelets are not too tight on the wrist.

Also, children often play with the jewelry and it can be lost or broken.

Extra Clothing

Some times an accident might occur during the day (spills, bathroom etc) that may require a change of clothing. We have a limited amount of spare clothing available just in case. Please make sure to wash the clothing and return it to us as soon as possible.

You know your child best - if you think it is necessary, please send in spare clothing for your child. Please place it in a bag with their name on the outside.

**Donations of used or new extra clothing
for both girls and boys (sweat pants, shirts, underwear and socks) in sizes 4 - 8
would be happily accepted and deeply appreciated.**

10. Snacks

Our program understands that children get very hungry during the day. We try to have a variety of snacks and breakfast items available for our students.

While the Kinnelon Extended Day Programs are NOT a peanut free environment, children who have foods with peanuts in them will be seated away from the children with allergies. Hands will be washed immediately after snack time. Tables will also be cleaned immediately following snack time.

Since nut allergies are the most common, we always have snacks available that are free of any kind of nuts.

However, if your child has additional allergies or is on a special diet (gluten free etc.) you may either provide us with the appropriate food for your child and we will dispense your child's food to them at snack time or send your child with a snack every day. Please send a snack for each program in which your child is enrolled. (If your child is enrolled in Kid's Korner AM, KED and Kid's Korner PM, your child would require 3 snacks.)

Kindergarten Extended Day: Parents should pack a snack for our Kindergarten Extended Day student. Please put it in either a plastic or paper bag clearly marked for KED.

Kid's Korner AM: Students will be given a snack or small breakfast in the morning. We try to have a variety of items available and have special days during the week for special breakfasts (Waffle Wednesday or French Toast Stick Friday, etc.)

Kid's Korner PM: Since it has been a long time since lunch, we try to provide a slightly more substantial snack in the afternoon. **If your child is always extra hungry, please send your child with additional snacks in their backpack.**

11. Family Emergencies (We are here to help.)

Whether or not your child is part of our program, we are happy to help out on an emergency basis. If you know in advance that you might need our services for a day or a short period of time, please contact Linda Russell, Supervisor at RussellL@kinnelon.org AND kedatsisco@yahoo.com.

If you have an sudden emergency and need your child to remain at school, **let us as soon as possible.**

Please notify your child's school first so that your child will be not be put on the bus home.

The school will notify us and we will take care of your child until you or a person you designate comes to pick up your child.

Just a reminder - play dates, birthday parties etc. are not an emergency and we would not be able to accommodate your request.

If you will be designating someone other than a parent to pick up your child, please give us the person's name and let them know that we will require a valid driver's license in order to release your child to your designated person.

12. Weather Related Schedule Changes

During the winter months, we try very hard to remain open.

However, sometimes the weather does not cooperate. Since we are part of the Kinnelon School District, we must follow the district policy for weather related school closings and delays.

www.kinnelonpubicschools.org

We understand that there are times when older students or parents need to contact each other. (For example - emergency or weather related school closings or family emergencies. If a student must contact their parent(s) the student should ask permission to use his or her cell phone.

At no time may the students play games or text message friends on their cell phones.

19. Additional Items to Leave at Home

Many times children are excited and want to bring special things from home such as a favorite stuffed animal, Pokemon Cards, favorite toys or books.

Many times, through no fault of the children, these favorite items are lost or ruined. Sometimes out of the goodness of their hearts, children “trade” or give things to other people, only to realize when they get home that they did not really want to trade or give their favorite things to someone else.

To avoid anxiety and sadness for the children, we ask that you explain to your child that it is best to leave these things at home and not bring them to school.

20. Enrollment Forms & Filling Out The Enrollment Forms

Filling out the enrollment forms is easy, but here are a few reminders and tips.

Please make sure you print clearly. The enrollment form contains all of your contact information, including your e-mail contact and it is very important that the form be completely legible.

Your e-mail address is very important - information (other than billing) about the programs will be sent via e-mail. PLEASE make sure you add our e-mail address kedatsisco@yahoo.com to your address book to avoid having important e-mail sent to your spam folder. You may also receive information from our website www.kedkid.org.

Please make sure you let us know about any allergies or medical conditions.

Please make sure you have read all of the information contained in the Parent Information Guide. **When you sign the enrollment form you are acknowledging that you have read the information and you are accepting the terms and conditions of the packet.**

(Enrollment Forms & Filling Out The Enrollment Forms continued on next page.)

20. Enrollment Forms & Filling Out The Enrollment Forms (continued)

When filling out the days and programs please remember:

1. You may choose 1, 2, 3 or all of the days. You may sign up for any combination of days, but you may not pick and choose individual dates. If you sign up for Monday you are signing up for all of the dates for Mondays, Tuesday would be all Tuesdays etc.
2. Please color in the box for the day(s) and program(s) you are choosing. An example would be if you are signing up for Monday, Wednesday and Friday KED and Kid's Korner 5pm pick up, you would color the boxes under the KED column **AND** the Kid's Korner 5pm column. You would then add the 2 totals together and enter the total in the Daily Tuition Cost column.
3. **We try to accommodate your schedule to the best of our ability.** If you have different drop off or pick up times for Kid's Korn AM and PM on different days you may sign up accordingly. Example: On Monday and Thursday you would like to drop off your child at 7am and on Tuesday, Wednesday and Friday it would be 8am, you would fill in the appropriate boxes. The same may be done for Kid's Korner PM pick up times.
4. If you do not see a drop off or pick up time that suits your schedule, please contact Linda Russell, Supervisor at RussellL@kinnelon.org or kedatsisco@yahoo.com and she will do her best to accommodate a time that is perfect for you and your family.
5. **PLEASE MAKE SURE YOU SIGN AND DATE THE ENROLLMENT FORM**
When you sign the enrollment form you are acknowledging that you have read the information and you are accepting the terms and conditions of the packet.
6. **PLEASE MAKE SURE TO ENCLOSE YOUR CHECK WITH THE ENROLLMENT FORM.**
Your child will not be officially signed up unless either the full tuition is enclosed or the first payment of your payment plan is enclosed.
7. Closer to the beginning of the school year, you will receive a confirmation of enrollment via e-mail.
8. If you have any questions, please contact Linda Russell, Program Supervisor at www.kedatsisco.org AND RussellL@kinnelon.org . Using both addresses insures that Mrs. Russell will receive the e-mail.

We know how busy your lives are and how very important your child's safety and security is and we are here to help.

Please do not hesitate to contact Mrs. Russell at www.kedatsisco.org AND RussellL@kinnelon.org with any questions.

21. Contact Information

We are very busy here at the Kinnelon Extended Day Program. So many children with so many things to do. Sometimes we are so busy or having lots of fun and making such great amount of noise, that we are not able to pick up the phone. Sometimes we are working hard on a project or homework and we need lots of quiet time so we turn on the do not disturb button so it will be quiet. **We usually try very hard to anser the phone** but, if for any reason **we do not answer** (playing outside, busy with KED Projects, etc.) **please leave a message. Some one will respond as soon as possible to let you know we received your message and answer any questions.**

While we do not always have time in the afternoon to check our computer, you may also send an e-mail **at the addresses above**

A Short Message from Mrs. Russell

I would like to take this opportunity to thank you for enrolling in the Kinnelon Extended Day Program. I am looking forward to seeing our returning KED friends and welcoming our new KED friends in September.

We try very hard to make the program a happy and active place for our students.

Last school year we implemented a homework room , so that children who have homework have a quiet place to work. Our staff is available to help our children with their homework and to encourage them to concentrate on the task and hand.

For the 2014 - 2015 school year we will be adding some games and equipment for outside play and updating our inside activities.

As the Program Supervisor, it is my job to make sure that every aspect of the program is a positive experience for both our children and parents.

If you have any questions or concerns, please do not hesitate to contact me.

You may call me at 973-8381418 ext. 132 or e-mail me at kedatsisco@yahoo.com AND Russell@kinnelon.org . I use 2 e-mail addresses so that if the district is updating the system and the school e-mail is unavailable, you will still be able to reach me by e-mail at the yahoo account.

Once again, I thank you for choosing the Kinnelon Extended Day Programs.

Sincerely,

Linda Russell
